Re: The Asahi glass foundation and KMUTT call for research proposal 2023

---

Dear Dean or Director,

The Asahi glass foundation and KMUTT call for research proposal 2023. The major fields of research supported are *Materials Sciences, Life Sciences, Information Sciences, Environment, Energy and Social Science*. The budget for each project shall not be excess 2,000,000 Yen, with the project duration 1-2 year.

Hence, Research, Innovation and Partnerships office (RIPO) would like to announce the call to the researchers. The researchers who would like to apply for this call please kindly submit the proposal, attach related documents and (MS-word and PDF) through KIRIM. The deadline of submission is October 20<sup>th</sup>, 2022.

Please kindly review the details of the call on the attached file or scan QR code below:  
If there are any inquiries, please contact [research.followup@mail.kmutt.ac.th](mailto:research.followup@mail.kmutt.ac.th).

(Papapit Hirunsirisawat)

Director of Research, Innovation and Partnerships Office
